Yountville Events Rental FAQs

Quick Answers to Questions You May Have:

1. All rental spaces are easily customizable for your specific event and available to rent on an hourly basis, with a two-hour minimum. Your total rental time should include all set up, event time, and clean up.
2. The Renter (you / your group) is responsible for room layout, all furniture set up, and decorating. Renter has the option of using the Yountville Events complimentary tables and chairs or bringing in their own through a rental company. Yountville Events staff will bring the furniture into the space if you choose to use ours.
3. All events serving food require the rental of our full commercial Kitchen. Outside Catering is permitted for no additional fees.
4. Only Beer, Wine, and Champagne is permitted. No corkage fees charged. Certain Non-Profit Events with ABC permits may be approved to provide hard liquor.
5. All service for alcoholic beverages and all music must end at 10:00 PM if indoors, or 8:00 PM if on the Lawn & Patio. No Exceptions.
6. Janitorial cleaning fees will be included in Rental Total. Renters are required to clear off all tables and chairs, put all garbage in provided receptacles, and remove all belongings, including rentals, from the venue. Janitorial will put away all furniture used and do a deep cleaning of all spaces rented.
7. All rented furniture, items and / or all equipment belonging to the Renter must leave the Yountville Events facilities the night of your event. No overnight storage permitted.
8. The facility must be cleared and emptied by contracted time and / or 12:00 AM at the latest. Additional rental fees will be charged for any additional time past contracted end time necessary for all clean up, caterers, bands, DJs, guests, rental company, and / or renter departing the facility.
9. To obtain a rental quote or schedule a tour, an Event Inquiry form must be filled out in full and submitted back to the Recreation Coordinator.
